

Dear guest

Welcome to our restaurant Ciel Bleu, for a gastronomic tour of the world. Because in our kitchen we are inspired not only by our guests who come from all corners of the world, but also by international flavours.

We are proud of the stunning ingredients from our own land and we feel a deep passion for the bountiful fish and shellfish from the surrounding seas and lakes.

History also plays an important role for Ciel Bleu. The golden century with shiploads of spices has a strong influence on our kitchen, just as the centuries-long relationship with Japan offers a lot of inspiration.

Our mission is to achieve the ultimate taste from our top quality ingredients. The salty-creamy oysters from Brittany, but also the purest cacao from the 'Amsterdam Chocolate makers' and cheeses from fromagerie Kef.

We also embrace the organic herbs, flowers and vegetables of the region's suppliers, while our wines sway between the Old and New World, where small, often organic or biodynamic growers produce the very best from their '*terroir*' and grapevines.

Our sommelier advises you with the choice of wine or non-alcoholic creations
