## Caviar traditionally served

### BAERII

The Baerii caviar has a delicate and creamy structure and distinguishes itself with elegant and saline flavours. The dark brown to black colour is characteristic. These tiniest eggs come from the Siberian Acipenser Baerii sturgeon after it is at least 3 years of age.

### OSCIETRA

The refined nutty flavour of the Oscietra caviar is the perfect match for our refined flavours. This caviar has a deep dark brown to dark olive-green colour. The eggs come from the Acipenser Gueldenstaedtii sturgeon. This diamond sturgeon produces caviar after at least 4 years.

### IMPERIAL

This carefully selected caviar is sublime with its mild creamy and light spicy flavours has a golden to light brown colour. The Acipenser Schrenkii – Huso Dauricus sturgeon produces the second largest eggs. The sturgeon can grow up to 300 cm. This hybrid sturgeon produces caviar when it is at least 4 years old.

### BELUGA

The most exclusive and expensive caviar for fans of creamy, nutty and light spicy flavours. The colour is grey-silver to black. These largest eggs come from the Husos Huso sturgeon that can grow up to a length of 600 cm. The Beluga sturgeon produces between 20 to 30 kilos of caviar after it reaches the age of at least 20 years.

We serve your choices of caviar as of 10 grams per selection.

Baerii Caviar	€ 8	per gram
Oscietra Caviar	€ 10	per gram
